Chapter 2 Course Scores

I.Engineering Geology and Hydrogeology

(I) Student Evaluation

For the course "Engineering Geology and Hydrogeology," there were 151 students supposed to be evaluated, with 150 having completed evaluations, resulting in a participation rate of 99.34% and a score of 87.69 points. This course consists of three classes, with Class 02 of Engineering Geology and Hydrogeology scoring 86.14 points, Class 01 scoring 87.02 points, and Class 03 scoring 90.04 points.

Note: The course score is the average of the student evaluations from all classes under the course.

II. Practical Training in Engineering Geology and Hydrogeology

(I) Student Evaluation

For the Engineering Geology and Hydrogeology Practical Training course, 151 students were expected to participate in the evaluation, with 149 having completed it, resulting in a participation rate of 98.68%. The course received a score of 87.84.

There are three classes under this course: Class 03 scored 90.83, Class 01 scored 87.10, and Class 02 scored 85.72.

Note: The course score is the average of the student evaluation scores from all classes under the course.
