

**Teacher of Civil Engineering, School of Architecture and Engineering,  
Kunming University**

**Statistics on temporary job training, training and further education,  
domestic and foreign exchanges, and school visits in the past five years**

| <i>Serial number</i> | <i>Name</i>  | <i>Type</i>                     | <i>Name of counterpart or exchange project</i>               | <i>Time</i>     |
|----------------------|--------------|---------------------------------|--------------------------------------------------------------|-----------------|
| 1                    | DU Jun       | Domestic visiting Scholar       | Chongqing University                                         | 2022.09-2023.06 |
| 2                    | CHEN Xu      | Domestic visiting Scholar       | Tsinghua University                                          | 2021.09-2022.07 |
| 3                    | CHEN Hongyu  | PhD on the job                  | Kunming University of Science and Technology                 | Since 2021.09   |
| 4                    | LING Zhen    | PhD on the job                  | Yunnan Normal University                                     | 2017.09-2021.07 |
| 5                    | HAN Zhang    | Postdoctor                      | Hohai University                                             | 2024.05-2026.04 |
| 6                    | LING Zhen    | Postdoctor                      | Yunnan University                                            | Since 2022.11   |
